

## November 24

---

There was no such thing as being born again until Pentecost, in Acts 2. There was no such thing as being baptized with the holy Spirit until the day of Pentecost. The Spirit was on the prophets, and it was on the apostles when they went out healing the sick before Pentecost, but Jesus said, “He’s been with you, but” he said, “the time is coming when he’s going to be in you.”
